

LivingWorks

suicide-safer communities

We are excited to announce TWO California LivingWorks' Regional Conferences. These will be the first California conferences in a really long time. And, we are the only state in the union to have two, because you are AWESOME!!!!

Our first conference is **October 25th & 26th** in Sacramento at the Embassy Suites Sacramento Riverfront Promenade. Day 1 is a pre-conference offering of Suicide to Hope. Day 2 will bring wondering insights, activities and conversations about ASIST, safeTALK and Suicide to Hope.

Our second conference is **November 4th & 5th** in Los Angeles at the Embassy Suites LAX North. Day 1 will be our trainer conference with Day 2 offering a Post Conference offering of Suicide to Hope.

Same conferences, two different locations with different trainers!
Kind of parallels our workshops!!!!

Quoting our Trainer Competencies *"Participants need to Participate"* and *"Work groups work"* and *"Team work matters"* and *"Only Hard work makes ASIST/safeTALK/Suicide to Hope look easy"*. We look forward to your participation, insights, testimonials and FUN!!! The last might fall under *"Self-care!"*

Look for an upcoming email with registration information, hotel reservation information and more!

If you would like to be a part of the planning committee, bring it on! We need and appreciate your creativity, energy and perspective - fun, too!
